Re: United States v. Salvatore Romano
Criminal Docket No. 04-234 (CBA)

Dear Chief Judge Amon:

On January 25, 2012, the defendant Salvatore Romano moved for the early termination of the final nine months of his three-year term of supervised release. The government respectfully writes in response to the Court's order, filed February 1, 2012, directing the government to show cause why the relief requested by the defendant should not be granted.

In light of the standard for early termination of a term of supervised release set forth in 18 U.S.C. § 3583(e)(1), and the showing made by the defendant in his motion, the government does not oppose the defendant's request.

Respectfully submitted,

LORETTA E. LYNCH
United States Attorney
